Consent Statement						
<ol style="list-style-type: none"> The ID- card must be visible at all times when inside the port area IF you pass through the gate with a vehicle, the vehicle must have valid a vehicle sticker placed on the left side of the windshield. It is YOUR responsibility to ensure that no one else passes through without using their own ID-card. Violation of this will lead to confiscation of ID-card and / or restricted access rights. If you observe any suspicious objects or behaviour inside the harbour area, you must immediately notify the security gate. All passengers in the car MUST be registered at the gate, and pass through the revolving gate. The Port of Drammen reserves the right to change the individual user's access rights without notice, as well as closing the selected access points to the port facility when needed. All traffic on the pier is for authorized personnel only. It is strictly forbidden to use private cars inside the port facility area. Only vehicles with valid stickers may pass. The ID-card with associated code is strictly personal, and will be confiscated if misused . High visibility warning clothing class 3 MUST be used when you are within port facility area. Helmet MUST be used at any given time where there is a specific Helmet Zone. If you are delivering outgoing cargo, the form 2.8.7 ISPS – Sjekklister ved innlevering av gods must be handed to the gate before entering. There is a charge for lost or damaged ID-cards. The card must be submitted to the Port of Drammen when the contract or employment is terminated.
